

## ESNS Exchange Regulations 2024

ESNS Exchange, The European Talent Exchange Programme (formerly known as the ETEP) promotes the exchange of European artists across Europe and beyond.

### In General:

- The artists from ESNS 2024 can be selected to support within this programme (please find the list including contacts [here](#)).
- An ESNS Exchange act should be from outside your country borders to be eligible for reimbursement. Please note that you can only request reimbursement for one act per country.
- Please make sure the ESNS Exchange logo is placed on your website or in the artist bio. You can find these logos [here](#).
- As an EU-funded programme ESNS Exchange needs proof of your activities, this means photos and/or videos of the performances and the placement of the ESNS Exchange logo (mentioned above).
- To get the bonus, please make sure you made the payment for contribution via Yourope. This contribution also needs to be paid for you to be part of the programme and to claim your free ESNS tickets.

### Bookings

#### Bookings by festivals in Europe

This option is for festivals based in Europe<sup>1</sup>. You can book up to three eligible ESNS Exchange acts and you will receive reimbursement of €1.200 for the first booked act and €1.000 for the second and the third act. The maximum amount of the reimbursement is €3.200. Reimbursement payments will be made after ESNS has been provided with proof and details (e.g. screenshots and links to videos/photos).

#### Bookings by festivals outside Europe

This option is for festivals based outside of Europe. You can book up to two eligible acts for which you will receive €1.600 compensation per act. The maximum amount of the reimbursement is €3.200 (two artists in total). Reimbursement payments will be made after ESNS has been provided with proof and details (e.g. screenshots and links to videos/photos)
